Source: UNICA. Note: 1st two-week period of April.

Data released in this report has been compiled and analysed by UNICA, with figures provided by mills and by following associations of producers from South-Central states:

- *Sugar and ethanol industries association in the state of Minas Gerais (SIAMIG)*
- *Bioenergy producers association of Mato Grosso do Sul (BIOSUL)*
- *Ethanol and sugar producers association in the state of Paraná (ALCOPAR)*
- *Bioenergy industry association of Mato Grosso (BIOIND^{MT})*
- *Association of ethanol industry of Goiás state (SIFAEG)*
- *Ethanol and sugar industry association of Rio de Janeiro (SISERJ)*
- *Plants and distilleries Society of Espírito Santo state (SUDES)*

Data regarding weather and agricultural conditions has been provided by the Center for Sugarcane Technology (CTC).

This report has been prepared for informative purposes only and is available free of charge from www.unicadata.com.br.

UNICA has endeavored to ensure that all data and information utilized are precise and obtained from credible sources.
